ISSUE #222

Build a bridge, not a barrier; make a friend, not a fuss; find a cause, not a controversy; be a cheerleader, not a critic; seek a solution, not a standoff

Fall is an incredible time of year with the change in the weather, the change in the trees and the wildlife behavior. The Elk are in mating season, so please be on alert when viewing the elk even from your vehicles. They have been known to charge vehicles and people! We know they are a fantastic sight, but we ask that for your safety you KEEP YOUR DISTANCE.

Our new playgrounds are in and ready for family fun thanks to our per capita grant. More improvements ahead such as aeration of our lake and resurfacing pickleball and basketball courts. The lake aeration project has taken some time with contractors, engineering, and planning but it will happen. We just want to make sure we do it right. Thank you Bear Valley CSD for gifting us your grant funds so that we can complete the extras like the pickleball courts! We are all looking forward to seeing this all come together.

A big thank you to all who attended, volunteered, and sponsored our Annual Oktoberfest. This is our biggest fundraiser for our Parks and Recreation, and we are so grateful for those that support us during this time. Thank you to PDUBS for helping us with the Pretzels, Brats and preparing the amazing sauerkraut for us every year. Thank you to our staff and our volunteers who helped plan, prep, run and clean up for this event, all of which are behind the scenes. To my husband Chris and his awesome BBQ crew who have been grilling our brats for over 4 years now, THANK YOU! You guys rock it every year and we are so grateful. Thank you to our Police Department and our SSCERT Team for all your support and planning. We know it is a long day out there and you always do it with a smile.

A big thank you to my Parks Manager Nicole Llere and her family for doing an excellent job of taking this event on and adding some great new features. Thank you to our fun wine gals who put so much time into this day and our snow cone crew from Cut Loose volunteering every year. You all are a blessing! Finally, we could NOT have an Oktoberfest without beer and our amazing beer master Steve Olson has

been doing this event since day one. He and his family took this event on 19 years ago with our Stallion Springs PAL, home brewing his beer and to this day he still gives all proceeds to our Parks and Rec. He and I have been running this event together for the last 10 years and I cannot express how much we appreciate him! THANK YOU, STEVE! See inside for our sponsors and photos.

If you hadn't heard the news or just thought it was rumor, it's true, I will be leaving the CSD in December. Our Board of Directors have started the hiring process, and we are hopeful they will get the right person for this job. My staff, my board and so many residents here have become like family to me, making this a very tough decision. Life is short and I am ready to slow down, focus on my family and go on some adventures. To all of those that have supported myself and my staff over the years, thank you. This is a unique community with many challenges, but somehow, we always come together and pull through for each other. As a resident here, I had no idea how much work our small crew endured until I became an employee. I have been in admiration of this crew from day one. Their hard work and sacrifices they make go unseen at times and we all wear so many hats to keep the wheels turning. Please remember to thank them when you see them and if you have questions or concerns come talk to them or attend the board meetings to get the right info.

Thank you SSCSD staff, you have been my biggest support and have become my best of friends. I love you guys and will be here to support you ALWAYS!!!

Oktoberfest

Thank you to everyone who made Oktoberfest a huge success !! We love putting on this event for the community! A huge thank you to all of our sponsors, Steve Olson and his family, Advanced Beverage, Lisa McLaughlin and friends for running the wine, Cut Loose for running snow cones, our incredible volunteers, CERT, KCCSU, KCFD, SSPD, the Acme Band, our employees that worked so hard to set up, all of the vendors, and everyone who attended!

The first Stallion Springs Oktoberfest was put on by PAL in 2005. Being a home brewer, I was asked if I was interested in brewing a couple beers for this event. I agreed and brewed two 5 gallon kegs. The first event was very small and we sold maybe half of each keg.

The first two events were held on Stallion Springs Drive where traffic was blocked off in front of the Woodward West property. I believe in 2007 the event was moved to the newly built Stallion Springs Community Center. PAL eventually relinquished the event to the SS Parks & Rec.

I brewed up to four 1/2 barrel kegs every year through I believe 2016. At that 2016 event my 4 kegs sold out in 90 minutes and we had to rely on serving the back up kegs we had purchased from Evan's for the remainder of the event. I realized the event had outgrown my ability to keep up with my 20 gallon home brew set up. So from 2017 on, all beer served was purchased through Advanced Beverage. Serving a variety of German beers and always trying to bring in a couple new or different craft beers every year from around the United States, but mainly California.

As you know It takes a lot to prepare, set up, serve, and tear down every event. And from the beginning I was fortunate enough to have the help and support of many family members and many friends. Most all of them are still there every year to pitch in and make it happen. - Steve Olson

Thank you to Woodward for the Hydration Stations!!

STALLION SPRINGS 18TH ANNUAL OKTOBERFEST
MANY THANKS TO OUR SPONSORS!

STALLION SPRINGS NEIGHBORHOOD WATCH (SSNW)

Stallion Springs Residents, Friends and Neighbors!

We welcome you to our Stallion Springs Neighborhood Watch Group (non-profit) and Facebook Private Group! All Stallion Springs Residents and Residents in Cummings Valley who wish to be informed about our community's safety by the Stallion Springs Police Department (SSPD Chief Gary Crowell), the CSD, or other SSNW members regarding important events, alerts for lost escaped pets or farm animals, important road conditions in our community, Cummings Valley, Tehachapi, Bakersfield, Lancaster and the nearby freeways - are free to join!

Oktoberfest 2023 will be my last SSNW event, as I need to retire and make room for you younger Residents to take the Lead with your energy and fresh ideas! I will pass on all the equipment and utensils needed to run our SSNW Booth when you take over as an individual or as a Leadership Team. Our new Leader(s) will also be Block Captains in the group, and will need to assist with our Facebook, Messenger and Chat forums, as we have lost a few Block Captains who moved away. Requirements are some proficiency with Facebook, Messenger and Chat and ability to write a short SSNW Article for the Bi-monthly "The Bridge" Newsletter. Also, since we Block Captains/Admins represent our outstanding SS Police Department, we need to maintain a high level of objectivity, level-headedness, perspective, patience regarding people's point of view, communication capability, and firmness in knowing when to shut down a Post or Author/Commenter due to our rules against politics, harassment, threats, bullying, name-calling or any disrespectful behavior.

You can join our SSNW by requesting at email stallionneighborhoodwatch@gmail.com, or on Facebook by searching for "Stallion Springs Neighborhood Watch," or on Facebook Messenger - for our communications with the above communities. We also created a SSNW Group Community Chat to enable members to communicate with others in our group.

In Feb-Mar, 2023 our Facebook policy officially changed to "No Pre-Approval Required to Post." This change should facilitate "immediate need" Posts where time is of the essence!

Thank you for joining or being a current member of our SSNW and for helping to keep our Community a beautiful, safe place to live! - Joan Clark

STALLION SPRINGS COMMUNITY EMERGENCY RESPONSE TEAM (SSCERT)

Goodbye summer, hello fall! Get ready for those Santa Ana winds and lots of oak leaves to rake up. Keeping your property clear of the dry leaves will greatly reduce your fire risk. Some like to call the warm windy days “earthquake weather” but that’s likely a myth. But it is a good reminder to be ready for any emergency or disaster, and review your family emergency plans.

The Cheers to Charity event was on August 12, and SSCERT set up and coordinated parking for the event. Event deployments are important activities for CERT, reinforcing our field training for possible emergencies. Team members got the opportunity to enjoy some of the event too!

The Houchin Community Blood Bank held their Stallion Springs blood drive on September 16. There were 32 registered donors, among whom 5 were first-time contributors. Twenty nine whole blood units were collected. We beat our goal by 4 units! With each unit saving three lives your contribution and ongoing support will help save 87 lives in our community. Team member Mary Vickery works hard to coordinate our support services for this event. Keep an eye out for the next date Houchin will be in our community. Appointments are strongly recommended. Please visit Houchin Community Blood Bank online at hccb.com to make an appointment.

Anyone interested in learning more about the Stallion Springs Community Emergency Response Team and how we support the community is invited to attend our monthly meetings. Meetings are held on the first Wednesday of each month at the Stallion Springs CSD building, 27800 Stallion Springs Drive. A training topic is presented at each meeting to keep us ready for deployment.

Are you interested in joining SSCERT, or just learn to be better prepared for an emergency/disaster? Only you can make your community the place in which you want to live, by getting involved and setting the example for others to follow! Learn more at www.stallionspringscert.org.

www.stallionspringscert.org stallionspringscert1@gmail.com 661-412-2378

Stallion Springs CERT was established in 2003, and is under the guidance of the Stallion Springs Police Department. Our CERT members also volunteer at non-emergency events within our Stallion Springs Community, Tehachapi communities, and Kern County communities. SSCERT supports our Stallion Springs Police (SSPD), first responders and community groups at their events as Medical/ Safety Monitors, Traffic Control, Logistics support, searching for lost/missing persons, searching for lost/missing equipment, etc.

IMPORTANT: FISHING PERMITS ARE REQUIRED AT ALL TIMES:

Fishing without a permit will result in a fine. 48-hour permits are available at the Stallion Springs General Store or the CSD for \$10. Yearly permits are available at the District Office ONLY Monday thru Friday, 8 a.m.— 4:15 p.m. (closed from 12—1).

IMPORTANT No fishing from the bridge or on or near the dam.

WE NEED YOU

Did you know that our trails are all maintained by volunteers and we need help! We have so many great trails in our community, but these trails need maintenance in order to continue to use them. Help us conserve this great asset to our Community.

We are so grateful for our volunteers especially Steve who has spent many hours mowing and grading our trails most of the time all on his own. Please consider

joining our volunteer Trails Group so that together we can keep our Trails for all families to enjoy!

If you cannot join us, you can make a donation to our

HELP KEEP OUR COMMUNITY BEAUTIFUL

Did you know we have CC&R's
(Conditions, Covenants and Restrictions) in our
community?

These CC&R's are necessary to preserve & enhance property values throughout our community and to protect and maintain the rural residential character of the area. A few examples are: having paint samples, fencing, building and any outdoor structures approved. We protect our oaks, you **MUST** get approval for the removal of any oak trees on your property.

Please take the time to review them on our website: www.stallionspringscsd.com and call the office with any questions you may have.

If you see a CC&R violation please call or email Vanessa at 822-3268 x224 or vstevens@stallionspringscsd.com
