BRIDGE

FEB—MAR 2022

ISSUE #212

Build a bridge, not a barrier; make a friend, not a fuss; find a cause, not a controversy; be a cheerleader, not a critic; seek a solution, not a standoff

Hello Stallion Residents,

A New Year means some fresh new changes ahead. The gazebo at the lake has been torn down and is currently in the process of getting rebuilt by a local hardworking Eagle Scout, Maverick Kendrick. We are excited to see the finished product! The Bridge is in need of oiling and a few repairs, and we will be working towards that this summer. Many of the street signs are faded or missing and we are adding those to our list as well. You are the eyes and ears in this community so if you see something that needs to be cleaned, repaired, or replaced we want to hear from you! Please give us a call or email us anytime at: sscsd@stallionspringscsd.com so that we can address these needs and keep our community looking nice.

Thanks to the Per Capita Grant from California State Parks we will be aerating the lake and adding some

playground equipment to both Horsethief and Man O War Park. We will be replacing old picnic benches and adding updated equipment for all families to enjoy.

Upcoming Events:

- Save a life and donate blood at our Blood Drive Saturday, February 5th located in the CSD Parking lot.
- Dump your junk at our clean up day set for March 5, 2022 from 9am until full at the Community Center. Remember this is first come first serve and the wait in line can be long. The Tehachapi Landfill is free to Kern County residents and you can take your bulky items there any time!

HOUCHIN MOBILE BLOOD DRIVE—THANK YOU.

I wanted to reach out and thank everyone for playing a big role in the success of the mobile blood drive held over the weekend.

I was told there was a great turnout, despite a few setbacks with the tablets. Your efforts, paired with the willingness of every student, are greatly appreciated, especially during the holiday season. These blood donations will go a long way towards replenishing blood supplies during this shortage, and ultimately save lives!

I am happy to report 39 donors, including 1 first time donor were registered, and 37 units of blood were collected. With every one unit saving three lives, your contributions and ongoing support will help save 111 lives in our community.

The next blood drive is tentatively scheduled for Saturday, February 5, 2022. I look forward to seeing you all again. Please do not hesitate to ask if you have any questions we can help with. Have a Happy New Year. We will see you soon!

We Stallion Springs Neighborhood Watch (SSNW) Block Captains and Facebook Admins want to give you, our awesome Residents, a “HUGE THANK YOU” for all of your contributions last year, and for continuing to help keep our wonderful Community the beautiful and safe place it is! Our Community would not be what it is without each of you doing what you do best – “See something – Say something!”

If anyone would like to help improve our Community, donations can be made through the SSCSD’s non-profit, “The Stallion Springs Foundation” with specific notation for the SS Police Department, SS Parks & Rec, SS Gym, SS Dog Park, SS Playground Equipment, etc. These Community organizations rely on your generous donations to help purchase new equipment or replace aging parts of equipment.

During 2021 you may have noticed that our monthly meetings were cancelled due to COVID restrictions, but our Police Chief, Gary Crowell, did conduct several “Police Information Meetings”, which were open to all Residents and were well attended, either in person (with COVID requirements in place), or by ZOOM Telecom provided by the CSD.

Chief Crowell shared he plans to continue these meetings more often, to expand the group and get more volunteers involved in the Leadership of SSNW in 2022! The meetings have been very valuable to our Residents, and provided important information regarding crime, crime prevention and safety issues in our Community! The Chief and his Officers always have had an “Open Door” policy with our Residents and strive to maintain a friendly and helpful/educational approach to any problems.

Please take NOTE of the following information when contacting the Chief or our SSPD -

ABOUT US

Our Stallion Springs CERT group was established by Sandy Young, in cooperation with then SSPD Chief Brad Burris, in 2003 after her CERT Basic graduation and certification under Bear Valley Springs CERT. Sandy continued to lead our team as Program Manager, CERT Coordinator/ Team Lead, CERT Instructor, and Board Chair until 2020, when she retired. As a result of her outstanding leadership, training and development, the team continues strongly to this day and is recognized as being a leader in its training and execution of duties.

The National CERT Basic Training Courses, developed by FEMA, and taught nationally prepare us how to stay safe and help ourselves, our families, neighbors, workplaces and community in the event of an emergency or disaster. Once the CERT Basic Level of training is completed, there are many other training subjects that are offered to enhance one's capabilities, skill and knowledge.

Our CERT members also volunteer at non-emergency events within our Stallion Springs Community, Tehachapi communities, and Kern County communities after additional CERT certifications. SSCERT supports our Stallion Springs Police (SSPD), other Law Enforcement agencies and community groups at their events as Medical/ Safety Monitors, Traffic Control, Logistics support, searching for lost/ missing persons, searching for lost/ missing equipment, etc. We also support the Kern County Fire Department, when requested. All of the above deployments and activities must first be approved by our Sponsor, the SSPD. We do NOT self-deploy!

Only you can make your community the place in which you want to live, by getting involved and setting the example for others to follow! "See something - Say something!" - For the good of all our lives! Our community is changing, which reminds us why we all moved here, and why we chose this lifestyle, environment and Community. This is not a call to "fight," but it is a reminder of why we chose to live in a wonderful community like Stallion Springs. It is our duty to keep our community the place we all want to live in.

Together with our partners, we want you to be ready and we're here to help!

ARE YOU PREPARED FOR THE NEXT PUBLIC SAFETY POWER SHUTOFF?

Independent Living Center of Kern County (ILCKC) is partnering with PG&E, SCE, along with other community organizations to help people with disabilities be prepared by:
