ISSUE #216

Build a bridge, not a barrier; make a friend, not a fuss; find a cause, not a controversy; be a cheerleader, not a critic; seek a solution, not a standoff

Happy Fall Y'All!!

What an incredible time of year this is with the change in weather, the abundance of wildlife and our Annual Oktoberfest! Thank you all who sponsored, attended, volunteered, and promoted our Annual Parks and Recreation Fundraiser. We could not have pulled this off without you all!! Shout out to our local Police Department and CERT Team, this event requires so much planning and man power and we cannot thank you enough for always supporting us!! See page 2 and 3 for more details.

A few things:

Roads:

With that last storm we just got hammered here in Stallion with mud and debris. Our crew went out two full days street cleaning and sweeping but unfortunately our sweeper went down. We are aware that there is still a list of areas that need attention and will get to them as soon as we can. If you have an area that needs attention, email us at: sscsd@stallionspringscsd.com be sure to include an address or cross street. Please be patient we have a small crew and they have water leaks that are priority as well.

Mail sites:

WE NEED HELP!!!! We are looking for some volunteers to help keep our mail sites looking nice, perhaps you would like to take care of your own site or know anyone who can help? We would like to keep the postings current in our message boards and trash picked up at each site. Please let us know if you can help. Email us at: : sscsd@stallionspringscsd.com We are happy to announce that we have done an extensive number of repairs to all of the mail sites in lower Stallion. This should eliminate some frustration with postal deliveries. These repairs were very costly to the district, and we are asking the community to please use care when handling the locks especially on parcel boxes, don't be in a hurry, and be sure to check the numbers and use the correct box otherwise things get jammed up. If you are confused or have an issue, please call us so we can help.

As a reminder: DO NOT PLACE FLYERS ON OUR MAILBOXES IT JUST LOOKS TRASHY! You can utilize the message boards provided by making your flyers smaller so we can all share.

Parks:

Use of the Per Capita Grant funds will start to show here at our local parks very soon. We are working on getting the playgrounds ordered and installed at both Horsethief and Man O War Park. We will also aerate and clean up the lake. Man O War Park Ball Field: Did you know we are trying to complete a community ball field? Thanks to the generous donations from AMA Homes, Brandon Warne Construction, and "California Correctional Institution Facility C". Also thank you to Jim Lundy for helping us get this going with your knowledge and connections for donations. We are hoping to wrap it up very soon. Just waiting for final grading and fence installation. Our "Field of Dreams" for the families here is finally coming along and we can not wait to share this all with you upon completion.

Trails:

Stallion Springs is blessed with so many great trails, that have been maintained solely by volunteers and some donations. Please consider donating to our foundation or helping with our trail's maintenance crew who meets the 2nd Saturday of each month. Thank you to Steve Cook for taking this all on and for the countless hours and miles you have spent on our trails. Steve is currently working on a new map as well and is discovering and uncovering some amazing trails that haven't been used in years! His desire to bring this asset back to life is greatly appreciated!! If you can't help on Saturdays, you can always help by utilizing the trails, foot traffic helps keep the weeds down and the trails clear!

Living in a small community and running a CSD with a small staff means that so often we rely on others like our amazing volunteers to get things done. Always know that the CSD staff appreciates those that have supported and helped us in so many ways through these years.

Have you reached out to your neighbor lately?

Maybe they need help and are afraid to ask? You never know what a difference you can make.

Vanessa Stevens,
General Manager

Oktoberfest

Thank you to everyone who made Oktoberfest a huge success !! We love putting on this event for the community! A huge thank you to all of our sponsors, Steve Olson and his family, Advanced Beverage, Lisa McLaughlin and friends for running the wine, Cut Loose for running snocones, our incredible volunteers, CERT, KCCSU, KCFD, SSPD, the Blue Steel Band, our employees that worked so hard to set up, all of the vendors, and everyone who attended!

This years fund are going to be matching a grant to get new playgrounds at both Man O' War and Horsethief Parks, along with aeration of Horsethief Lake! We can't wait to see these parks improved for your families to enjoy!!

THANK YOU TO OUR SPONSORS!

Wildlife in our community!

We are extremely fortunate to share our community with so much wildlife! With the drought, we have been having more and more sightings of animals such as coyotes, bears, and other larger mammals. A few reminders to keep ourselves and these animals safe:

1. **Watch them from a distance:** Never approach wildlife, always view them from a distance.
2. **Do not feed any wildlife:** Make sure trash is secured either with a very secure lid, or it is locked up. Do not leave pet food outside. Any food that is accessible to wildlife encourages them to lose their natural fear of humans and develop reliance for easy access food.
3. **Remove sources of water:** Water is scarce for wildlife this time of year. Having water features in your yard can attract wildlife.
4. **Bring pets in:** Bringing pets in at night, along with their food, will help keep them safe.
5. **Bird Feeders:** Put bird feeders where other animals cannot reach them, or bring them in at night.
6. **Call fish and game:** If wildlife becomes aggressive or attacks people, call the California Department of Fish and Game at 559-243-4005.
7. **Be respectful and keep them wild,** this is their home too.

SAFE MEDICATION DISPOSAL

(Located in the CSD Lobby)

We are asking residents when using the safe medication disposal box located in our lobby to place only medicines and to please:

NO Needles of ANY sort, NO Liquids, NO Thermometers, NO inhalers or aerosols, NO empty bottles or medical supplies.

Most of these items can be received at hazardous waste days the 1st Saturday of each month at the main waste site in town.

For more details on hazardous waster days please see page 11.

IMPORTANT: FISHING PERMITS ARE REQUIRED AT ALL TIMES:

Fishing without a permit will result in a fine. 48-hour permits are available at the Stallion Springs General Store or the CSD for \$10. Yearly permits are available at the District Office ONLY Monday thru Friday, 8 a.m. — 4:15 p.m. (closed from 12—1).

IMPORTANT No fishing from the bridge or on or near the dam.

JUST A HEADS UP ABOUT WATER PAYMENTS....

When you use your bill payment system to pay Stallion Springs CSD, your bank writes a check and it is sent by mail.

Your bank may take money out of your account today, but not write a check for up to 10 days after your request.

We may not get your payment for up to 14 days after your request.

SSCSD offers credit card payments thru our website www.stallionspringscsd.com and we now offer Phone payments and Auto payments by calling: 661-825-1515.

There is a minimum processing charge for the online credit card payments, but the payments are processed immediately.

SLOW DOWN THIS IS OUR NEIGHBORHOOD NOT A RACETRACK!!!

Fall is here, along with cooler weather. Fall also brings high winds, dry air, lots of fallen leaves and an increased risk of wildfires! Keep on top of clearing dry leaves and vegetation from around your house and other structures, and don't forget the rain gutters. Now is also a good time to review your fire/disaster plans, update supplies, test smoke detectors and replace batteries in flashlights.

We have our CERT Basic Training course coming up in a few weeks, starting the evening of Wednesday, October 19, and Saturday days October 22, 29 and November 5. It's not too late to sign up! This 20 hour training course will provide basic disaster response skills, such as fire safety, light search and rescue, team organization, and disaster medical operations. The course is free, and will certify you to become a member of SSCERT, or just for personal preparedness. If you can't attend all the course dates, take what you can and we'll work with you to make up any segments you miss. Please contact SSCERT at stallionspringscert1@gmail.com or 661-412-2378 to sign up or get more information.

SSCERT, under the guidance of member Mary Vickery, helped coordinate the Houchin blood drive on September 17th. We checked in 40 donors, and we were able to register 37, including 5 first time donors. We collected 31 units of blood and 1 platelet. With every one unit saving three lives, your contributions and ongoing support will help save 96 lives in our community! The next Houchin blood drive in Stallion Springs is scheduled for November 12th. Appointments are strongly recommended. Please visit Houchin Community Blood Bank online at hccb.com to make an appointment.

The end of Summer and Fall are busy times for SSCERT. We were deployed to offer support during the Stallion Springs well pump failure. We deployed for Cheers to Charity to provide parking control and many other support services. Assisting Cheers to Charity is our largest annual fundraising effort. Special Thanks to Dave Cox, Larry Heasley and all the team members that contribute a great deal of their time to prepare for and support this event. Stallion Springs Oktoberfest is another event we provide similar support including parking control, first aid and safety/emergency assistance. We also have our annual CERT training and assisting the Houchin blood drive.

Anyone interested in our CERT Basic Training, community support and activities is invited to attend our monthly meetings and CERT Training & Reviews, usually held on the first Wednesday of each month at the Stallion Springs CSD building, 27800 Stallion Springs Drive.

Stallion Springs CERT was established in 2003, and is under the guidance of the Stallion Springs Police Department. Our CERT members also volunteer at non-emergency events within our Stallion Springs Community, Tehachapi communities, and Kern County communities after additional CERT certifications. SSCERT supports our Stallion Springs Police (SSPD), other Law Enforcement agencies and community groups at their events as Medical/ Safety Monitors, Traffic Control, Logistics support, searching for lost/missing persons, searching for lost/missing equipment, etc. We also support the Kern County Fire Department, when requested.

WE NEED YOU

Did you know that our trails are all maintained by volunteers and we need help! We have so many great trails in our community, but these trails need maintenance in order to continue to use them. Help us conserve this great asset to our Community.

We are so grateful for our volunteers especially Steve who has spent many hours mowing and grading our trails most of the time all on his own. Please consider

joining our volunteer Trails Group so that together we can keep our Trails for all families to enjoy!

If you cannot join us, you can make a donation to our

non-profit organization:

HELP KEEP OUR COMMUNITY BEAUTIFUL

Did you know we have **CC&R's** (**Conditions, Covenants and Restrictions**) in our community?

These CC&R's are necessary to preserve & enhance property values throughout our community and to protect and maintain the rural residential character of the area. A few examples are: having paint samples, fencing, building and any outdoor structures approved. We protect our oaks, you MUST get approval for the removal of any oak trees on your property.

Please take the time to review them on our website: www.stallionspringscsd.com and call the office with any questions you may have.

If you see a CC&R violation please call or email Vanessa at 822-3268 x224 or vstevens@stallionspringscsd.com

What you will find in your water bill....
