

The Stallion Springs BRIDGE

APR-MAY 2018 Issue #190

Build a bridge, not a barrier; make a friend, not a fuss; find a cause, not a controversy; be a cheerleader, not a critic; seek a solution, not a standoff

The Stallion Springs Community Services District is a Governmental Agency that provides services for the community. In many cases, the District needs to handle not a service but a complaint because one resident is not following the rules or being fair to other residents in the community.

A few reminders:

There are Conditions, Covenants and Restrictions that everyone is responsible for following. If you have questions, we will be happy to answer them but please understand that abiding by the CC&R's is good for the community and can prevent the District staff from spending time on attempting to be enforcers instead of service providers.

The District has Titles or Ordinances in place. These are legal requirements that the District is obligated to follow. For example, ingress and egress of district roads onto driveways is outlined in the District Titles. Failure for residents to abide by those

rules can destroy curbs and be a traffic hazard. Dogs are mans best friend but not when the owner fails too abide by leash laws or keep their animal quiet. Please respect others in regard to control of your animals.

Weeds and growth around homes is a fire danger. Help the District, the Fire Department and your neighbors by keeping growth around homes down so that there is defensible space and your property looks nice.

We should all be respectful of others. A big help to the District in regard to time and resources is for neighbors to talk to neighbors in attempting to work out difficulties.

Thanks for your cooperation.

Let's make Stallion Beautiful!

David.

PROPERTY OWNERS ASSOCIATION (POA)

PRESIDENT'S MESSAGE

Happy Spring everyone!

It is nice to get the much needed rain and the little bit of snow that everyone hopes for! We have been busy planning the Round Up and Flea Market on April 28th and the May 19th scholarship fundraiser. The Round Up is coming along great and we have over 30 vendors at the moment! We still have a lot of spaces available for rental to sell your unwanted household items, in the outside parking lot. Applications are at the CSD office and can be turned in there with payment. We will have some food, drinks, light entertainment and a prize wheel with some great prizes! The Round Up is a fundraiser for the POA to help our scholarships and the community projects funds.

Our next fundraiser is the biggest of the year. Last year was the first one I've ever helped with and I am excited and anxious to do it again this year. We are looking for donations for the silent auction and/or door prizes. If you or your business would like to make a gift basket or donate an item that can be used in our auction, please get in touch with me and we can provide you with a donor letter and make arrangements. I am also happy to announce that Woodward West will be donating 1 week of summer camp for our silent auction. This was our most popular item last year and we made over \$500 on it! We also are looking for table sponsors for this event, which entails: setting 8 place settings with nice plates (or chargers), utensils, wine glass or water glass, cloth napkins, place mats are optional, salt and pepper shakers, water pitcher and a centerpiece to be raffled off at the end of the night. Each table should have a theme to it and the decor should match accordingly. Some previous themes have been: a fish bowl theme with a fish net as table decor, blue clear plates and the centerpiece was a beta fish in a fish bowl, another was a country theme and had bandannas as napkins, country decor and the centerpiece was a moss covered cowboy boot with flowers in it on top of some wood, another theme had a Paula Deen cookbook in a colander, pasta and some wine in the centerpiece with table decor and plates to match. If you would be interested in sponsoring a table or know someone who would be a good fit, please have them get in touch with me at: debbie@mccaslands.com. The tables will need to be set up the day of the event prior to it and they can be cleaned up the following morning. Having table sponsors allows the POA to save money on setting up all the tables and it helps us raise money through the centerpieces for the scholarships. This can be a fun activity for anyone, or to do with your friends! I have more details that I can email to you or you can join the Facebook group called SSPOA planning committee. If you would like to help with this event, we will need help setting up, clean up, bartending, selling tickets, door check

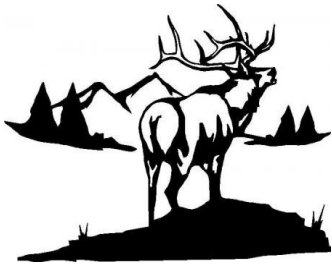

in, silent auction help, etc. Please get in touch with me.

June is approaching us soon and we need to provide a new slate of officers for the 2018/2019 year. We are looking for a nomination committee. We need the new slate by the end of April so that it can be published by May and voted for in June at our annual meeting. Only current paying POA members can vote and can be on the nomination committee (keep in mind that you can sign up to be a POA member any time). We currently need at least 2 people to be a part of this committee. Their job will be to find new officers that are interested in being on the POA board, or finding out if the current officers would like to continue. The officers include President, VP, Secretary and Treasurer with 2 members at large. I have thought long and hard about this and unfortunately, I may not be able to continue in my position as President, I would like to step down to a lower position so I can focus on my family more. The POA is going through some great changes and improvements and we need new faces and newly committed members of this community. If you have any experience in finances or treasury, this would be a great benefit. I hope we can have some great people step up to the plate so that the POA can continue to thrive in Stallion Springs. If you would like to be on the nomination committee or are interested in being a board member, please let me know also. I'd really like to thank everyone that has supported me throughout this year and to all the volunteers that donate their time and money to benefit the community. Non-profits are hard work and we couldn't do it without the support system.

Don't forget to sign up for your spaces to sell your unwanted household items at the Round Up Flea Market on April 28th. Get your spring cleaning done and sell your stuff! And if you want to support the POA, membership is \$20 per year or \$35 for a couple. We also have what is left of the adult hoodies for sale at the Stallion Spring's General Store still, as well as youth hoodies and t-shirts. We have plenty of t-shirts for sale for the warmer weather ahead!
