

AUG-SEPT 2018 Issue #192

Build a bridge, not a barrier; make a friend, not a fuss; find a cause, not a controversy; be a cheerleader, not a critic; seek a solution, not a standoff

Stallion Springs Residents,

As we move into August, road contract work will be in full swing. Please be on the lookout for slow vehicles doing work, so be careful and patient! The District staff will follow up with the road contract by using the striping machine to properly mark the roads.

The Man O War Park will open August 1st. The field should be in good shape now for families to enjoy picnics and activities. A porta potty will be provided at the park until we can get the bathroom remodeled. The new park site for dog lovers will be on Burning Tree and St. Andrews.

The District has an agreement with Bornt Farms to utilize their well in an emergency. District staff put

that well into the system the last part of July because the C.V. #1 well is still not meeting State Guidelines and with the heat of summer, the demand for water is high. The District's General Manager and Board of Directors greatly appreciates Bornt's cooperation in helping the District meet the demands for water for Stallion Springs.

I would like to invite you to the Stallion Springs Board of Directors meeting on Tuesday, August 21, 2018. There will be a full report in regard to the District operations for last fiscal year and future operation.

School will be starting soon so be cautious of the kids, parents and remember school bus laws!

Thank you,
David Aranda, General Manager

PROPERTY OWNERS ASSOCIATION (POA)

Hello everyone,

I hope your summer has been well spent and that you haven't been too hot! During these past couple months, we had a great turnout at our annual board meeting with guest speaker, David Aranda. And we attended the PAL's Derby Downs box car races and are excited to announce 1st place was won by Ashley's son Krayden Brown, Debbie's son won 2nd and our new Vice President Jenn's son won 3rd! It was a fun day and the kids had so much fun! We look forward to the next one!

We will be helping out our police department and our Neighborhood Watch group at the annual National Night Out on Tuesday, August 7th from 4-8:30pm at the community center. There will be fun games, drawings, baked goods and dunk the officer! Join us for fun for everyone and meet your first responders!

We will also be having our Annual BBQ Meet & Greet on Saturday, September 8th from 4-7pm in the corral room. All current paid members can enjoy a free meal on us! Everyone is welcome, if you aren't a member we will be charging \$10 per plate or two plates for \$15. Kids 12 and under eat free. We will have wine and beer for sale as well as other cold beverages. We will have some corn hole games, conversation and opportunities to get to know our team and other community members! We'd love to hear your thoughts and ideas on what you would like to see in our community. Or if you have a certain fundraiser you'd like to see. This is just a great way to meet your neighbors and get more involved. And on this same day in the morning, the SS CSD is bringing back the infamous Color Run 5k! So you can have a great day of Stallion Springs fun!

Before we know it, the holidays will be upon us! And we would like to extend an invitation to join our volunteers to assist in many events such as: Halloween festivities (TBD), Chili Cook Off and Christmas Caroling. Also starting December or January we will begin planning our Round Up and Flea Market and we NEED more help with this event! If you'd like to help with any of this please email me at debbie.mccaz.rod@gmail.com or stallionspringspoa@gmail.com

We also need bakers for upcoming events but the closest one is on August 7th, anything will do. Please let me know if you can help in this small way.

Lastly I would like to extend a huge thank you to our newest board members Jenn and Donnie. They have been extremely proactive, helpful and committed! I'm going to end with a quote I am quite fond of, keeping in mind that our non-profit group is and has been made up of many great people, who give so much and we have been afloat since 1988 due to them. I can say I have personally and professionally grown since joining this group and I definitely don't regret it.

"When we grow old, there can only be one regret — not to have given enough of ourselves." ~Eleonora Duse

Take care,
Debbie Rodriguez

A note from our VP:

My name is Jennifer Liles and I want to thank our residents/members for electing me as our POA's Vice President. I have been a resident of Stallion Springs since March of 2017. Becoming active, through volunteering, in our beautiful community has introduced me to so many kind, caring, and hard-working families whose common goal is to better, beautify, and bond our neighborhood. We can do this through our fundraisers, our community events, and just by smiling at our neighbors. One of my favorite quotes comes from my daughter whom at the age of 9 said, "Give. Giving makes others happy." It is my honor to give to Stallion Springs and I thank you for working with myself, the POA, and our other community organizations with your tireless volunteer efforts and giving.

BEWARE OF RATTLESNAKES

This is the time of year when we have to be vigilant to rattlesnakes hiding around the corner basking themselves in the sun.

Be aware of your surroundings. We tend to conform to our regular schedules and forget that our native, slithering friends are around us.

If you happen to come across a rattlesnake calling the non-emergency line will not help you unless you have been attacked by one.

If you would like to have them relocated from your area, you can get in touch with Tehachapi Wildlife Identifier found on facebook OR you can call Heather at 661-972-3957.

MAILBOX KEYS

If you have lost your keys, check with the CSD. If mailbox keys have been found attached to their box or found around the area, please take note of which box it was found in or what area the keys were found.

This helps the CSD locate their owners much quicker.

Thank you to those residents that have turned in keys. It has been very much appreciated by the residents that have misplaced them.

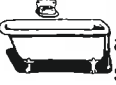

FEEDING WILDLIFE

We all enjoy the wildlife in Stallion Springs and maybe that is why we have moved here.

There is some peacefulness when they come out to our homes and feed off our grass or roses but we should never encourage them by feeding them deer pellets or putting out salt licks. Let them roam on their terms, that is why they are wildlife. Help keep our wildlife wild and healthy.
