BRIDGE

FEB/MAR 2019

Issue #195

Build a bridge, not a barrier; make a friend, not a fuss; find a cause, not a

Stallion Springs Residents,

We all think about the future. We want to make sure we have a comfortable retirement. We want to see if we can leave our children something for their future.

For Stallion Springs, the future goes hand in hand with a good potable water source. The District has purchased land in Cummings Valley that came with a high producing good quality well.

The Board and General Manager in the upcoming meetings will be discussing how this purchase will impact the immediate future of Stallion Springs and how it can improve the next five to ten years. Please join us for these discussions. Our next board meeting will be February 19, 2019 at 6 p.m.

I would like to announce that Gary Crowell has been promoted to Chief of Police for the Stallion Springs Police Department. Mike Grant has decided to retire and be closer to his aging parents. We wish Mike the best and

I would encourage our residents to welcome Gary when he is sworn in as Chief on February 19, 2019 at 6 p.m.

Great News! The District's solid waste site will have a designated area for e-waste!! Bring your computers, printers, tv's etc. and place those in the designated site. Remember the two large bins for our solid waste is for **HOUSEHOLD TRASH ONLY!** The green waste site for all green waste is located off Commanche and Jack's Hill. We appreciate everyone working with the District in an attempt to properly dispose of solid waste and to be cost efficient and green minded.

You can reach me at:

daranda@stallionspringscsd.com and let me know what you would like to see in the future for the community.

Thank you.

The Tehachapi Resource Conservation District is holding our annual native and low water plant sale again. It will be April 20, between 9am-1pm. We encourage people to pre-order their plants in advance so that we can ensure availability, but will also have other plants and trees available for sale that day of the sale. The list will be online soon!

We now offer ordering and sales on our online store with PayPal or credit cards, but welcome cash or check orders in person or by mail as well. More information will be available on our website at tehachapircd.org, and you can also email for more information at tehachapircd@gmail.com.

If you go to their website, you can find various plants such as Groundcovers, Ornamental grasses, Perennials and Shrubs.

Happy New Year and hopefully you had a memorable holiday season. The Christmas Caroling was a great success and we had many volunteers step up to help us with all the details, decorating and fine tuning. Santa paid us a visit and made the night extra special for many kids. We all enjoyed delicious hot chocolate and cookies, while listening to Natalie Frankland and Christy Barnes sing some holiday tunes. Also for fun, there was cookie decorating and a craft for the kids (thanks to Stallion Springs Church and Noemi Tkacz)! Thanks to Officer Jimmy, our dedicated driver Dave Cox and our always fun MC Dusty, we did more rides than normal and no one was turned away! The night was very special and I couldn't feel more grateful for all who helped out. Thanks also to Eivan at the SS general store, to Don Napier, POA board members, Denise Cox, all the cookie donations, SS CSD, the Best family, Leslie Terrell, Tonie Siedschlag, Nicole, Jody and many more.

Currently I am in the planning stages for a possible community yard sale again. This is not a definite yet but a possibility. If you would be interested in helping to make this possible, please let me know how you think you could help. Projected date to be Saturday May 18th. Location being discussed.

We now have the new sweatshirts in zip up or pullover for sale in the general store and some in the resort. 100% of proceeds go to the community projects fund. This money benefits all of us and betters the community! There are only a small amount of crew sweatshirts and t-shirts with front pockets also at the general store.

Please email stallionspringspoa@gmail.com if you would like to support us, have ideas or would like to volunteer. Thank you!

Spring 2019 Stallion Springs CERT Class

CERT is about readiness, people helping people, rescuer safety, and doing the greatest good for the greatest number of people. CERT is a positive and realistic approach to emergency and disaster situations where citizens will be initially on their own and their actions can make a difference.

Through training, citizens can manage utilities and put out small fires; treat the three killers by opening airways, controlling bleeding, and treating for shock; provide basic medical aid; search for and rescue victims safely; and organize themselves and spontaneous volunteers to be effective.
