

*Build a bridge, not a barrier; make a friend, not a fuss; find a cause, not a controversy; be a cheerleader, not a critic; seek a solution, not a standoff*

Stallion Springs Residents:

As we move into our coldest months of the year, here are a few things to remember:

Winter weather in Stallion can bring rain, snow, freezing temperatures and dense fog. Use caution and slow down when driving. If your road has not been plowed, our staff will plow when it is safe to do so. Our staff typically takes one sweep down each road and often times they may leave snow near your driveway. We do not have the staff to go back out to clean this up so be prepared, have a shovel handy and do what you need to do if you must leave the house.

Wrap your exposed pipes to help from freezing. If you find that you do not have any running water after a freeze, (and you have paid your bill) chances are your pipes are frozen and the CSD is unable to help with this situation. You will have to be patient and wait for your pipes to thaw out.

#### **PARKS AND REC:**

Oktoberfest was a Big Success!! This was our best one yet! Thank you to all who came out and showed their support at our Annual Parks Fundraiser.

We have a new Parks and Recreation Coordinator, Nicole Llere. Nicole was hired as a recreation aid in February and from day one has proven to be a leader. She resides with her family in Stallion Springs and already has a ton of fun ideas for the new year. We are excited to bring back so many programs and get back to the old "Stallion Community Fun". If you have an idea, please email her anytime at: [stallionparksandrec@gmail.com](mailto:stallionparksandrec@gmail.com).

Check out the progress happening on the Man O'War Park Ballfield. We're looking forward to wrapping this up by Spring for all families to enjoy.

Breakfast with Santa and Holiday Boutique will be held December 10<sup>th</sup>. Sign up now before it's too late. (See inside for more details).

#### **CERT:**

Our local CERT team has just completed a new Fall training course. They have acquired new members and are

looking forward to the year ahead.

Thank you, Stallion Springs CERT, for all that you do for our community!

#### **TRAILS:**

We have some incredible volunteers led by Steve Cook who have spent countless hours on our trails in the last year working hard on trail clearance and mapping. Join us at our January Board meeting for some updates.

Please consider donating to our trails so we can continue to make improvements. Checks can be made payable to: Support Stallion Springs Foundation, write "Trails" in the memo and drop it in the drop box at the CSD.

#### **CC&RS:**

Remember to get familiar with our CC&R's in the community. Living in an RV, having C-TRAINS, multiple inoperable vehicles and unauthorized storage buildings is NOT allowed and are reoccurring violations. Help us keep Stallion nice and report violations so we can address them.

#### **ARTCOM:**

Anything you do to the outside of your home must be approved by our office PRIOR to the start of your project. This includes painting, landscaping, solar panels, out buildings, fencing etc. We are experiencing a large number of new owners who are unaware of this process, and this tends to be a costly mistake to the homeowner. If you have questions, please do not hesitate to call the office so we can help!

Office will be closed December 26<sup>th</sup>, and January 2<sup>nd</sup> for the Holidays. Wishing you all a Merry Christmas and a Happy New Year!! Enjoy your families and friends this Holiday Season and never take a single day for granted. Remember to reach out to a friend or neighbor who might be alone and in need.

Thank you!  
Vanessa Stevens, General Manager

## Wildlife in our community!

We are extremely fortunate to share our community with so much wildlife but with the drought, we have had more sightings of animals such as coyotes, bears, and other larger mammals. A few reminders to keep ourselves and these animals safe:

1. Watch them from a distance: Never approach wildlife, always view them from a distance.
2. Do not feed any wildlife: Make sure trash is secured either with a very secure lid, or it is locked up. Do not leave pet food outside. Any food that is accessible to wildlife encourages them to lose their natural fear of humans and develop reliance for easy access food.
3. Remove sources of water: Water is scarce for wildlife this time of year. Having water features in your yard can attract wildlife.
4. Bring pets in: Bringing pets in at night, along with their food, will help keep them safe.
5. Bird Feeders: Put bird feeders where other animals cannot reach them, or bring them in at night.
6. Call fish and game: If wildlife becomes aggressive or attacks people, call the California Department of Fish and Game at 559-243-4005.
7. Be respectful and keep them wild, this is their home too.

## HELP KEEP OUR COMMUNITY BEAUTIFUL

Did you know we have

### CC&R's (Conditions, Covenants and Restrictions)

in our community?

These CC&R's are necessary to preserve & enhance property values throughout our community and to protect and maintain the rural residential character of the area. A few examples are: having paint samples, fencing, building and any outdoor structures approved. We protect our oaks, you MUST get approval for the removal of any oak trees on your property.

Please take the time to review them on our website: [www.stallionspringscsd.com](http://www.stallionspringscsd.com) and call the office with any questions you may have.

If you see a CC&R violation please call or email Vanessa at 822-3268 x224 or email [vstevens@stallionspringscsd.com](mailto:vstevens@stallionspringscsd.com)

## STALLION SPRINGS COMMUNITY EMERGENCY RESPONSE TEAM (SSCERT)

Winter weather seemed to settle in early this year. What happened to fall?? It's time to make sure your chimney is clean, your heating system is in top working order and review space heaters safety. Pack your vehicle with winter safety gear (search 'winter car kit' online for suggested items) in the event you get stuck in the cold.

Congratulations to the class of 2022! The Stallion Springs Community Emergency Response Team concluded the 2022 CERT basic course on November 5<sup>th</sup> with Amanda Whitlatch, Curt Whitlatch, Johnny Faddis, Maralee Hill, Chance Bowen and Frances Alonso earning their CERT certificates! SSCERT thanks them for their generous time commitment to help make our community safer and better prepared for emergencies. Thank you to all the active SSCERT members that also generously offered their time to make this course possible!

SSCERT, under the guidance of member Mary Vickery, helped coordinate another successful Houchin blood drive on November 12. With every one unit saving three lives, your contributions and ongoing support will help save many lives in our community! Stay tuned for the next Houchin blood drive date in 2023. Appointments are strongly recommended. Please visit Houchin Community Blood Bank online at [hccb.com](http://hccb.com) to make an appointment.

Dave Cox, our team leader, is retiring from his position in SSCERT at the end of 2022. A sincere, heartfelt THANK YOU for his intense dedication and hard work over the years making SSCERT a thriving and vital asset to our community! Marina Johnson will become the new team leader, and we look forward to her leadership keeping SSCERT thriving and improving!

However you celebrate the holidays, the Stallion Springs Community Emergency Response Team wishes you a safe and happy season!

Anyone interested in our CERT Basic Training, community support and activities is invited to attend our monthly meetings and CERT Training & Reviews, usually held on the first Wednesday of each month at the Stallion Springs CSD building, 27800 Stallion Springs Drive.

Wednesday – January 4, 2023 – 6:30 PM

Are you interested in joining SSCERT, or just learn to be better prepared for an emergency/disaster? Only you can make your community the place in which you want to live, by getting involved and setting the example for others to follow! Our CERT members also volunteer at non-emergency events within our Stallion Springs Community, Tehachapi communities, and Kern County communities after additional CERT certifications. SSCERT supports our Stallion Springs Police (SSPD), other Law Enforcement agencies and community groups at their events as Medical/ Safety Monitors, Traffic Control, Logistics support, searching for lost/missing persons, searching for lost/missing equipment, etc. We also support the Kern County Fire Department, when requested.

## STALLION SPRINGS NEIGHBORHOOD WATCH (SSNW)

We hope all of our Residents have had a very Happy and Safe Thanksgiving Holiday. We especially are sending our Veterans a huge and heartfelt "Thank you" with sincere gratitude for their generous service in keeping us and our nation safe, not only in the past, but also in the present and in the future!! We can never repay the gift they provide for us!

We also wish everyone a Wondrous and Blessed Holiday Season from December 2022 through January 2023, full of Happiness and Joy with Family and Friends, Prosperity and Safety to last all year long!

We have outstanding information regarding our Oktoberfest "SSNW Cheese Nachos & Pretzels Booth" Fundraiser for our Stallion Springs Police Department – Equipment Fund!!

We GROSSED \$1,928.00! After expenses our SSNW DONATION TO THE SSPD EQUIPMENT FUND WAS - \$1,465.43! This Donation was made through the "Support Stallion Springs Foundation (501-c-3)."

Residents and others can donate to any of these organizations through "Support Stallion Springs Foundation (501-c-3)": the SS Police Department, SS Parks & Rec, SS Gym, SS Dog Park, SS Playground Equipment, Stallion Springs Property Owners Assoc. (SSPOA), etc."

For information about Neighborhood Watch from the National Organization, check out the following link.

<https://www.nhw.wa.gov.au> > [who-we-are](#) > [what-we-do](#)

We are making some positive changes to our "[Stallion Springs Neighborhood Watch](#)" Facebook Group Rules! We will remain a Private Group which will ensure that the General Public cannot join in to Post or Comment / Complain. Only Members who have asked to JOIN through Facebook, and answered some or all of the items on the pop-up Questionnaire (on our SSNW Site), will be APPROVED TO JOIN!

**A FACEBOOK POST PRE-APPROVAL WILL NO LONGER BE REQUIRED FOR MEMBERS TO SUBMIT A POST!**

WE ARE ADDING TWO ADDITIONAL MODERATORS TO OUR GROUP OF ADMINS TO HELP MONITOR POSTS AND ENSURE CONTENTS ARE WITHIN OUR GUIDELINES, AND THAT OF THE "NATIONAL NEIGHBORHOOD WATCH ORGANIZATION"! THESE CHANGES SHOULD ENSURE THAT PREVIOUS DELAYS IN POST APPROVALS WILL BE ELIMINATED!

**ALL RULE VIOLATIONS WILL CAUSE IMMEDIATE POST DELETIONS!**

**PLEASE BE MINDFUL OF OUR BEAUTIFUL WILDLIFE WHEN DRIVING IN STALLION SPRINGS!** Lately there have been several deer, even herds of deer with their fawns, bucks injured or killed by drivers! Sometimes these accidents cannot be avoided when the animal(s) suddenly jump in front of our vehicles! But when we see animals standing by the roadside, slowing way down can help prevent them from bolting across the road in front of us. Also, when driving at night, if safe to do so (no other traffic around), dimming one's headlights for a few seconds helps the animals to discern the distance between us and them, rather than being blinded by our headlights.

**Stallion Springs Police Informational Meetings** - Watch for upcoming announcements in "The Bridge" Newsletter, and on the CSD's website at: [stallionspringscsd.com](http://stallionspringscsd.com), and on the bulletin board at Stallion Springs Dr. at Banducci Rd. (main entrance to Stallion), regarding Police Informational Meetings conducted by Chief Gary Crowell or one of his officers.

If you see smoke, CALL 9-1-1 ASAP!!! Our Stallion Springs Fire Station #18 at: 661-822-3980 has informed us that Authorized Burns are not allowed yet due to drought and season!!
