Oct-Nov 2021 Issue #210

*Build a bridge, not a barrier; make a friend, not a fuss; find a cause, not a controversy; be a cheerleader, not a critic; seek a solution, not a standoff*

## STALLION SPRINGS RESIDENTS:

Fall is here and what a beautiful time of year it is!

A few things to remember:

**SLOW DOWN!!!!!!!!!!!!!!** What's with all the speeding and erratic driving? If you have recently moved here, I know it's hard to adapt to the slower lifestyle, the wildlife, and the kids at play but isn't that why we all moved here in the first place? We have had countless wildlife injured or killed due to speeding in the last few months and we are all asking that you please slow down and STOP for wildlife, bus traffic and our kids in this community!

We are still awaiting the outcome of our Prop 68 Parks grant, (fingers crossed). We are currently working on a grant for Horsethief Park including aeration of the lake and playground equipment. Looking for any thoughts or ideas on any improvements you would like to see at the park as well. Please email your thoughts no later than November 1, 2021 to Shawnee at: [stallionparksandrec@gmail.com](mailto:stallionparksandrec@gmail.com).

We have some serious vandals in this community and it has been very disappointing

to see the destruction these culprits have been causing! PARENTS: if you have ANY spray paint or sharpies in your home, please lock them up! We are investigating and handling on a case by case basis. If you see something, say something and call our Police Department Dispatch immediately at: 661-861-3110.

I hope to see you all at our Annual Oktoberfest set for this Saturday, October 2nd from 12p-5p. This is our biggest fundraiser for our Parks and Rec. Dept. so please if you can stop by and show your support!

We will have over 35 vendors, beer, brats, hot dog kids' meals, sno-cones, live music and so much more!

Take Care,  
Vanessa Stevens,  
General Manager

## NEW TO STALLION SPRINGS?

Did you know we have CC&R's (Conditions, Covenants and Restrictions) in our community?

These CC&R's are necessary to preserve & enhance property values throughout our community and to protect and maintain the rural residential character of the area. A few examples are: having paint samples, fencing, building and any outdoor structures approved. We protect our oaks, you MUST get approval for the removal of any oak trees on your property.

Please take the time to review them on our website: [www.stallionspringscsd.com](http://www.stallionspringscsd.com) and call the office with any questions you may have.
