

The Stallion Springs BRIDGE

FEB-MAR 2018 Issue #189

Build a bridge, not a barrier; make a friend, not a fuss; find a cause, not a controversy; be a cheerleader, not a critic; seek a solution, not a standoff

WELCOME 2018

Communication is key to success. The District attempts to communicate via the information board which is located on Banducci and Stallion Springs Drive. Board Meetings are held the third Tuesday of each month and The Bridge Newsletter is sent electronically or you can pick one up at the CSD.

The residents are the eyes and ears of this community, so we would appreciate you communicating with us via e-mail so we know what is on your mind.

The Property Owners Association (POA) is getting back into the swing of things in regards to hosting general meetings with guest speakers that can provide valuable information. The next regular general meeting will be on February 22, 2018 at 7 p.m. in the Corral Room.

PLEASE NOTE: On Saturday, February 10, 2018 from 9 a.m. to 1 p.m. the District has contracted a shredding company. Bring your confidential documents from years past and watch them be securely destroyed. The District will be destroying records on that day based on Board approval.

The list of “things to do” is long but the District staff will continue working on the list for the benefit of the community.

Thank you.

David.

UNREPORTED CRIMES

If a tree falls in the forest and nobody is around, does it make a sound? If a crime occurs and nobody reports it, did it actually occur? Since I began a Neighborhood Watch program with resident block Captain Joan Clark in Stallion Springs, unreported crime has been amongst our most talked about dilemmas. Nothing is quite as frustrating as a resident advising the Police Department, "About two weeks ago, I saw this guy..." And so on. Many crimes go unsolved because somebody saw something but failed to report it in a timely manner, or worse, didn't report it all. Many people turn to Facebook or other social media sites to report crime, failing to realize that Facebook is not a Police Department, nor do they hire police officers to investigate crimes. Crime mainly gets reported to us in one of three ways: through dispatch, email, or phoning the station. The best case scenario is receiving a call through dispatch,

(800) 861-3110 as it is the fastest and most effective way. Calls are recorded, the dispatchers know what pertinent and relevant information to ask and they can get ahold of us almost immediately. Emails are somewhat effective but these should normally be reserved for general questions and passing along information that is not time sensitive. Lastly, a phone call to the station is the slowest method as the officer will get the message when they happen to pass through the office or receive a phone call from the station. Remember that observation only affects outcome if it is reported quickly and correctly. Please join us at our monthly Neighborhood Watch meetings on the fourth Tuesday of every month, 6:30pm at the Stallion Springs Community Police Station. During the meetings, we discuss current crime trends, scams and how best to work with your police department to assist in fighting crime.

Woodward West

Stallion Springs located in the small town of Tehachapi, CA is considered home by many families of all diversities and companies alike. Some of us work at the wind mills, some the prison, some the fire and law enforcement, others hours away and even some retired. As for me, well I get the incredible experience of not only calling Stallion Springs home but also my place of work as I, Amanda, am the General Manager at Woodward West.

I am thrilled to discuss some Q & A's with our community.

WHAT IS WOODWARD? Woodward's key focus is to provide the youth an unmatched experience through mentorship and world class facilities. We focus on empowering children not only in their sports progression but skills to take home with them for the rest of their life.

Every summer for 11 weeks we provide thousands of children that exact experience. In addition, we offer a November Scooter Camp and a December Winter Camp.

HOW CAN WE AS A COMMUNITY EXPERIENCE WOODWARD?

Every month we offer various events including:

Action Getaways- Plan a weekend to visit our facility Fri-Sun schedule permitting. During this time you will be able to enjoy many of the same memorable experiences our campers do. This is a great opportunity to get the entire family involved. Parents come watch and enjoy or even participate! At Woodward everyone can be a kid. You get to ride the facilities all weekend long.

Community Ride Night- Every third Wednesday of the month (excluding Camp dates) come ride the Hanger from 5pm-9pm.

Gymnastics School- Back for 2018 we are proud to offer a 12 week gymnastics school program that started in January from ages 2-12 years old.

WHY STALLION SPRINGS? 15 years ago Woodward chose to call the rural area of Stallion Springs home due to the unparalleled experience this family friendly neighborhood has to offer. We couldn't be more thrilled and honored to call Stallion Springs home with all of you.

If you haven't had the chance to check out our facilities stop by our Front Office Mon-Fri 9am-5pm to get a tour.

For more information and details please go to campwoodward.com and click in the Woodward West homepage or call our front office at (661) 822-7900

Please stay tuned for future events we are working on collaborating with CSD.

PROPERTY OWNERS ASSOCIATION (POA)

PRESIDENT'S MESSAGE

Happy 2018 everyone! We have a busy few months ahead of us, here at the POA. I hope you had an enjoyable holiday season. Firstly, I wanted to say thank you to everyone who helped with the Christmas Caroling event, but especially Dusty! This man has been doing this event here in Stallion for many years, so the next time you see him, tell him thanks! The caroling event was very popular and we hope to brainstorm ways to make it more accommodating and more available to all of our residents for the future. We added multiple extra rides that night and we hope we brightened your holiday season with cheer! Thank you to the Stallion Spring's Church for their help and to Lori and Aubri for their beautiful singing. It was also a pleasure to have a visit from Santa! We also want to thank the SSPD and the Cox family for being amazing tour guides and drivers for the night. Everyone came together to help make this very memorable.

I am busily getting started on two BIG events that the POA will be putting on and I am looking for volunteers that would be willing to help out. If you are on Facebook and are interested in helping, please search for the group called 'SSPOA planning committee' and we will add you to the group. I will be posting for help there. If you don't have Facebook but want to help, you can email me at debbie@mccaslands.com and I can get in touch with you.

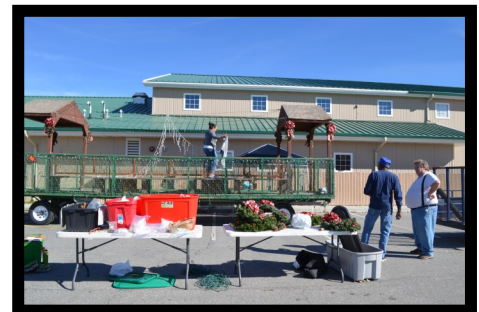

The "Stallion Spring's Round up and Flea Market" is making a comeback, for the first time in years! With the assistance of two lovely ladies and former POA board mem-

bers, Tonie and Faye, we are planning on having a large community yard sale and vendor showcase on Saturday, April 28th from 9am-2pm at the community center. Residents and non-residents can book a spot in the parking lot and sell their unwanted household or garage items. Inside the gym we will have vendors selling new or hand-made items. I'm hoping to make this a big event. Applications will be in the CSD office or I can email them to you at your request.

Our Annual "A Night to Remember" dinner dance, scholarship fundraiser is going to be on Saturday, May 19th this year and we will be having our planning meetings soon. If you'd like more info on this event, please email me and we can get you informed.

I have met with the S.S. General Manager and with the Woodward Manager recently and are working together closely, while looking into the future of Stallion Springs. I also am looking for potential future board members for our organization. We will have elections in June and I know it will come quickly. However, we need to publish a slate of Board Members in the May newsletter, so If you love your community and want to get involved, whether it be a little or a lot, then please email me. Please join us at our general meeting on Thursday, February 22nd at 7pm. in the Corral room, as S.S. General Manager David Aranda will be our guest speaker.

Best Regards, Debbie Rodriguez
