## STALLION SPRINGS NEIGHBORHOOD WATCH (SSNW)

Dear Stallion Springs Residents, Friends and Neighbors! We hope you all had a VERY HAPPY AND SAFE HOLIDAY SEASON, 2023 - 2024!!

As some of you may know, SSPD Chief Gary Crowell presented a Stallion Springs Police Information Meeting in December which was posted on the CSD's website at: [Stallionspringscsd.com](http://Stallionspringscsd.com). Chief Crowell always presents valuable information and discussed the latest updates and issues concerning our community, including criminal activity, security issues and processes in place, and safety. Please continue to monitor the CSD's website for these Police Information Meeting notices and attend as many as you can.

Regarding Security – You may be aware of the many vehicles and valuable items reported stolen lately around Tehachapi and surrounding communities. Please keep your vehicles LOCKED, even if stored inside a garage! Newer vehicles are probably less prone to thieves, as many have more theft preventions and alerts onboard. But it is better to be safe than sorry! Document all valuable items with photos, including a list noting values, serial and model numbers, and store the photos and list in a safe place. There are too many security advisements to list here, but the Internet will provide many recommendations. Please keep alert for our community's safety and security. "If you see something, say something!" However, do not report a crime or crime in progress on Facebook! Call 9-1-1 to report!

I RETIRED as a SSNW Leader (but remain a member) at the end of 2023! SO WE NEED YOUR HELP!! Please volunteer as SSNW Captains to help lead our SSNW Group, work in partnership with our SSPD Chief Gary Crowell and his Officers to keep our Community informed about Safety and Security, SSNW Events, monitor SSNW Facebook Posts for appropriate content, help guide SSNW FB Members with their Posts, etc. We do not allow Political Posts, or Sales Ads, on our site. SSNW FB Site is for Residents, their family members (in-town or out of town), those working in Stallion, or Cummings Valley residents - to inform or be informed regarding issues here in our Community or nearby.

We welcome you to our Stallion Springs Neighborhood Watch Group (non-profit) and Facebook Private Group! All Stallion Springs Residents and Residents in Cummings Valley who wish to be informed about our community's safety by the Stallion Springs Police Department, the CSD, or other SSNW members regarding important events, alerts for lost or escaped pets or farm animals, important road conditions in our community, Cummings Valley, Tehachapi, Bakersfield, Lancaster and the nearby freeways - are free to join! Request to Join at: [stallionneighborhoodwatch@gmail.com](mailto:stallionneighborhoodwatch@gmail.com), or Join through Facebook at: "Stallion Springs Neighborhood Watch."

We SSNW Captains and Facebook Admins want to thank you for joining or being a current member of our SSNW, for your continued dedication and focus on our Neighborhood Watch Program in support of COMMUNITY SAFETY, plus your support of our outstanding SS Police Department and for helping to keep our Community a beautiful, safe place to live!

Joan Clark, Charlee Taylor, Reina Guara – Block Captains/FB Admins

# WILDLIFE

---

We are extremely fortunate to share our community with so much wildlife but with the drought, we have had more sightings of animals such as coyotes, bears, and other larger mammals.

A few reminders to keep ourselves and these animals safe:

1. **Watch them from a distance:** Never approach wildlife, always view them from a distance.
2. **Do not feed any wildlife:** Make sure trash is secured either with a very secure lid, or it is locked up. Do not leave pet food outside. Any food that is accessible to wildlife encourages them to lose their natural fear of humans and develop reliance for easy access food.
3. **Remove sources of water:** Water is scarce for wildlife this time of year. Having water features in your yard can attract wildlife.
4. **Bring pets in:** Bringing pets in at night, along with their food, will help keep them safe.
5. **Bird Feeders:** Put bird feeders where other animals cannot reach them, or bring them in at night.
6. **Call fish and game:** If wildlife becomes aggressive or attacks people, call the California Department of Fish and Game at 559-243-4005.
7. **Be respectful and keep them wild,** this is their home too

# WE NEED YOU!

## Volunteers Needed to Maintain Our Trails

Our community boasts many magnificent trails, all of which are maintained by volunteers. However, we need more helping hands to ensure that these trails remain accessible. Join us in preserving this valuable asset for our community. We are especially grateful for Steve, who has single-handedly devoted countless hours to mowing and grading the trails. Come join our Trails Group and help us maintain this beautiful natural resource for all families to enjoy!

## How to Help the Stallion Springs Foundation

If you cannot be present, you can still support our non-profit organization by making a donation.

To keep up-to-date with the latest progress and trail days, join the Stallion Springs Trails Facebook group.

If you are willing to help out a few times a year, don't hesitate to contact Jasmine at [stallionparksandrec@gmail.com](mailto:stallionparksandrec@gmail.com) or 661-822-3268, or fill out this form and drop it off at the CSD.

HELP KEEP OUR

*Beautiful*

Did you know we have

## CC&R's (Conditions, Covenants and Restrictions)

in our community?

These CC&R's are necessary to preserve & enhance property values throughout our community and to protect and maintain the rural residential character of the area.

A few examples are: having paint samples, fencing, building and any outdoor structures approved. We protect our oaks, you MUST get approval for the removal of any oak trees on your property.

Please take the time to review them on our website: [www.stallionspringscsd.com](http://www.stallionspringscsd.com) or call the office with any questions you may have.

If you see a CC&R violation please call or email

# STALLION SPRINGS COMMUNITY EMERGENCY RESPONSE TEAM (SSCERT)

Spring is here! And with abundant rainfall, comes abundant grasses & weeds.

It's time to tune up those mowers & trimmers.... It's weed abatement season! You'll need to clear at least 100 feet around structures, and at least 10 feet along property lines if close to neighbor's structures. Keep combustible materials (wood piles, accumulated leaves, etc.) away from your home. Clear the branches of large trees 6 feet from the ground when possible. The more you clear, the better your chances of avoiding property loss in the event of a wildfire.

SSCERT thanks Cathy Santiago and Fiona Nelson for their fantastic presentation on Large Animal Evacuation at our March general meeting. It was well attended, and we all learned a lot about handling our animals and pets during an emergency evacuation.

On March 23, SSCERT assisted with the Houchin Community Blood Bank blood drive for Stallion Springs. A great big THANK YOU to our community members that donated blood! Your efforts will save lives! Thank you to our SSCERT volunteers for your hard work coordinating support services for this event. Houchin returns to our community for blood drives about every two months, watch for the next date. Appointments are strongly recommended. Please visit Houchin Community Blood Bank online at [hccb.com](http://hccb.com) to make an appointment.

Are you interested in joining SSCERT, or learn to be better prepared for an emergency/disaster? Only you can make your community the place in which you want to live, by getting involved and setting the example for others to follow! Learn more at [www.stallionspringscert.org](http://www.stallionspringscert.org) or attend our next general meetings on April 3 and tentatively May 1, 6:30pm at the CSD building.
