Introducing a New Way to Contribute to Support Stallion Springs Foundation

To help fund the renovation of our parks, additional Police Department expenditures, and community interests in Stallion Springs, we created the Support Stallion Springs Foundation. With the launch of our new giving site on [tithely](http://tithely.com), it's now easier than ever to show your support. To make a contribution you can find the link on our website www.stallionspringscsd.com. Thank you in advance for your generosity!

STALLION SPRINGS NEIGHBORHOOD WATCH
February – March 2025

Dear Stallion Springs Residents, Friends and Neighbors!

We hope you had a happy and safe Holiday Season, with time to relax and connect with family members near and far!

There are some important issues that face our community during this new year.

First, please remember to give yourself plenty of time and slow down while in the school bus embarking /disembarking areas! Recently, there have been two incidents reported to members of SSNW that children were almost hit by vehicles.

Second, our Stallion Springs CSD Board of Directors established a new committee during the January 21, 2025 CSD Monthly Board Meeting. The committee was named: “Public Safety Standing Committee” and a Chair and Vice Chair were elected. The first committee meeting was held on Monday January 27th.

- Residents, members of the SSCSD staff and board members have volunteered to serve on the Committee. The purpose of this committee is to discover additional funding sources, grants, and other ways to insure the sustainability of the Stallion Springs Police Department (SSPD).
- The next Public Safety Committee meeting is scheduled for February 10th at 5PM at the CSD office.

WILDLIFE

We are extremely fortunate to share our community with so much wildlife but with the drought, we have had more sightings of animals such as coyotes, bears, and other larger mammals.

A few reminders to keep ourselves and these animals safe:

1. **Watch them from a distance:** Never approach wildlife, always view them from a distance.
2. **Do not feed any wildlife:** Make sure trash is secured either with a very secure lid, or it is locked up. Do not leave pet food outside. Any food that is accessible to wildlife encourages them to lose their natural fear of humans and develop reliance for easy access food.
3. **Remove sources of water:** Water is scarce for wildlife this time of year. Having water features in your yard can attract wildlife.
4. **Bring pets in:** Bringing pets in at night, along with their food, will help keep them safe.
5. **Bird Feeders:** Put bird feeders where other animals cannot reach them, or bring them in at night.
6. **Call fish and game:** If wildlife becomes aggressive or attacks people, call the California Department of Fish and Game at 559-243-4005.
7. **Be respectful and keep them wild,** this is their home too

WE NEED YOU!

Volunteers Needed to Maintain Our Trails

Our community boasts many magnificent trails, all of which are maintained by volunteers.

However, we need more helping hands to ensure that these trails remain accessible. Join us in preserving this valuable asset for our community. We are especially grateful for

Steve, who has single-handedly devoted countless hours to mowing and grading the trails. Come join our Trails Group and help us maintain this beautiful natural resource for all families to enjoy!

How to Help the Stallion Springs Foundation

If you cannot be present, you can still support our non-profit organization by making a donation.

To keep up-to-date with the latest progress and trail days, join the Stallion Springs Trails Facebook group.

If you are willing to help out a few times a year, don't hesitate to contact Jasmine at rec1@stallionspringscsd.com or 661-822-3268 ext. 222, or fill out this form and drop it off at the CSD.

HELP KEEP OUR
COMMUNITY

Beautiful

Did you know we have

CC&R's (Conditions, Covenants and Restrictions)

in our community?

These CC&R's are necessary to preserve & enhance property values throughout our community and to protect and maintain the rural residential character of the area.

A few examples are having paint samples, fencing, building and any outdoor structures approved. We protect our oaks; you MUST get approval for the removal of any oak trees on your property.

Please take the time to review them on our website: www.stallionspringscsd.com or call the office with any questions you may have.

If you see a CC&R violation, please fill out a CC&R Violation form on our website www.stallionspringscsd.com.

Water Bill Info:
